

Name: _____

Period: _____

Cell Analogy Assignment Rubric

Due: _____

- * Must use all Organelles on chart
- * Must show clear understanding of functions of each organelle
- * Must show how organelles relate to analogy

Assignment:

1. Cell Analogy – Comparison of cell organelles and activities with – a School, a Factory, a Country, a Computer...

Extra Credit (due same day - up to 20 points):

2. Cartoon or Story
3. Commercial/Skit/Movie
4. Song/Rap
5. 3D model of your analogy (build a school model, a castle model, etc)

	Hmm...missed the mark	Getting there	Good Job	Above & Beyond
All organelles have analogies	Missing several organelles 0	Most organelles included 10	All organelles included 15	All organelle analogies are complete and appropriate 20
Organelle Functions	Many incomplete &/or incorrect 0	Most complete with correct basic functions 10	Complete with basic functions 15	Includes a variety of functions for each organelle or detailed explanations 20
Interactions (the WHY?)	No interactions explained 0	Three or more interactions are vague or misleading 15	Two or less interactions are clearly explained 25	Interactions are clear and in complete sentences 40
Creativity & Overall Impression	Incorrect use of terms/spelling, lacks imagination 0	Good effort, some errors w/ terms &/or Little creativity 10	Correct use of terms, Complete, includes creativity 15	Original, unique, correct use of terms, will help others understand 20
TOTAL				/100
